RESULTS IN OHIO.

Some Surprises In Outcome of Municipal Elections.

REV. DR. GLADDEN ELECTED

As Independent Candidate For Council In the Capital City.

FUSIONISTS LOSE AT CINCINNATI.

Interesting Budget of News About the Battle of Ballots For Local Offices In the Various Cities and Towns of the Famous Buckeye State.

Columbus, O., April 3.—N. W. Dick (D.) was elected police judge over Judge Moses B. Earnhart (R.) by 508 votes. The rest of the Republican ticket was elected. The market house bond proposition was defeated and the Federal gas franchise carried. Rev. Dr. Gladden (Ind.) defeated Charles E. Miles (R.) for council in the Seventh ward by 76 votes.

At Cleveland.
Cleveland, April 3.—The returns of the election show that Thomas H. Bell, Republican candidate for school director, is elected over Samuel Briggs (Dem.) and Arthur F. May (Nonpartisan Jonesite) by a plurality that will reach 8,000. Bell received almost as many votes as the other two candidates combined. The Republicans also elect four members of the school council, police judge, police clerk and two magistrates by majorities running above 10,000. They will retain control of the city council. There is not a change of officials.

Republican Sweep.
Youngstown, O., April 3.—The Republicans carried the city, electing Frank Brown mayor by a majority of upwards of 1,000. C. J. Matter, solicitor, and W. A. Beecher, trustee of waterworks, completely revolutionizing the municipal administration which for the past four years has been Democratic. The council continues Republican by two majorities, as does the board of education.

Fleischmann Elected.
Cincinnati, April 3.—The fusionists, composed of Democrats and anti-Cox Republicans, who have been successful on several previous elections were defeated by the Republicans. Colonel Julius Fleischmann, 28, a millionaire Hebrew, Republican, was elected over Cohen, fusion, for mayor by 5,519 plurality. The Republicans control everything except the police and fire departments.

Democratic Reverse.
Canton, O., April 3.—The Republicans elected their entire city ticket by majorities ranging from 800 to 1,200. The big pluralities were on members of the school board, in which the women participated. About 1,600 Republicans elected four out of seven councilmen. The Republicans get control of the school board, which last year was unanimously Democratic.

Democrats Win at Toledo.
Toledo, April 3.—Colonel C. H. Vaute (D.), head of the Democratic ticket, was elected street commissioner by 500. The council on joint ballot is six Democratic, which means also the selection of a Democratic city clerk, harbor master, infirmary director and their assistants. Outside of the street commission and council, everything is Republican.

Democrats Ahead.
Fostoria, O., April 3.—The fight in the election was on the township trustees. John H. Zeller (Dem.) defeated George Acker by 300. The Republicans gained one councilman and lost three assessors. The candidates for county committeemen, selected by Congressman Norton's lieutenants, were all defeated in the Democratic primaries.

An Even Break.
Springfield, O., April 3.—Springfield went Republican by 500 majority, electing Keler for waterworks trustee. It was an even break on councilmen as compared with last year, while three members of the board of education were elected by both parties. There is no change in the political complexion of the city.

Taylor Men Win.
East Liverpool, O., April 3.—The committee appointed to investigate the Washington township vote found that Taylor carried the township and will recommend that credentials be furnished to four Taylor men as delegates

to the convention to be held in Alliance April 17.

Democratic Mayor Elected.
Cadiz, O., April 3.—Charles J. Brokaw was elected mayor by 85 majority. He will be the first Democratic mayor for 35 years. The new marshal and water works trustee are also Democratic.

At Piqua.
Piqua, O., April 3.—The Republicans elected the waterworks trustees, two of the six councilmen, three of the four minor municipal officers and all three members of board of education.

Mixed Results.
Zanesville, O., April 3.—The result in this city is mixed. The Republicans elected the street commissioner and constables, while the Democrats get the water works trustees and justice. The bond propositions for water filtration and the new bridge carried.

Met Defeat.
Findlay, O., April 3.—George Nelmyer (Dem.) was defeated for reelection as mayor by Charles E. Watson (Rep.) by 168 plurality. The Republicans elect the rest of their city ticket with the exception of waterworks trustee and street commissioner.

Results at Dayton.
Dayton, O., April 3.—The Democratic candidates scored a notable victory in the city election. Major J. R. Lindemuth was re-elected by a majority of 2,550 over the Republican candidate, John W. Marshall. The entire city Democratic ticket was elected.

Went Democratic.
Newark, O., April 3.—Newark went Democratic, the Democrats electing the whole city ticket, seven of eight councilmen and three members of the board of education. For mayor, Herbert Atherton, Democrat, had 305 plurality.

At Xenia.
Xenia, O., April 3.—Linkhart, Republican, was elected mayor over Prugh, Independent, and Baldwin, Democrat. The proposition to build a court house for \$200,000 carried by 500 majority.

Democrats Successful.
Mansfield, O., April 3.—The Democrats here elected a waterworks trustee and justice of the peace. The council is Democratic and the school board, which has been Republican for years, is a tie.

For the First Time.
Marietta, O., April 3.—The Republicans elected their city ticket for the first time by 1,000. W. E. Sykes was elected mayor. The Republicans lose the city engineer only.

IN OTHER STATES.
Issues at Stake in the Municipal Elections Elsewhere.

Chicago, April 3.—A brisk vote was polled for the election of alderman and town officials. Politicians had all along complained of the lack of interest taken in the campaign, and were agreeably surprised at the large number of voters who, encouraged by perfect spring weather, visited the voting booths before going to work. The "reform" element, which has a majority in the present council, began work at dawn to get their constituents to cast the needful ballots. But they were not more active than the leaders and the rank and file of the so-called "gang." The traction and other corporate interests have been active throughout the campaign, working against the "reform" candidates, who stand for compensation for all public franchises.

Franchises at Stake.
Milwaukee, April 3.—Municipal elections were held throughout Wisconsin. The contest in this city was the most exciting in many years. The contest in this city was the most exciting in many years. The street railway issue has been the feature of the campaign. A heavy vote was polled. Mayor David S. Rose (D.) was a candidate for re-election against Henry J. Baumgartner (R.). Aldermen, supervisors and a county judge were also voted upon.

License or No License.
Omaha, April 3.—Municipal elections were held in all towns and cities of Nebraska, except Omaha. In the larger cities the issues were political, while in the smaller towns the question was almost universally license or no license. In South Omaha, generally a Democratic stronghold, the fight was present, and has been an exceedingly lively one.

Municipal Ownership.
Wichita, Kan., April 3.—Municipal ownership was the issue in the city election, but candidates of both parties were pledged thereto. A light vote was polled.

Full Tickets Elected.
Kansas City, April 3.—A full city ticket was selected.

THE LATEST REPORTS

Do Not Improve Disaster to the British Army in Free State.

ROBERTS' EXPLANATORY MESSAGE.

Loss of Guns and Convoy May Delay the Movements of the Commander-in-Chief Toward the North.

London, April 3.—Fuller news of the disaster to the British army in the neighborhood of Sanna's Post does not tend to improve matters from a British standpoint of view, but with the dispatches so mystifying it is impossible to accurately portray the present situation or foretell the ultimate issue of Lord Roberts' attempt to retrieve the defeat.

The war office has posted a dispatch from Lord Roberts dated Bloemfontein April 2: "In continuation of my telegram of March 31 there has been considerable delay in getting accurate returns of the casualties, as the action took place 22 miles hence. The telegraph cable has been interrupted several times, cloudy weather has interfered with signalling, and although there has been no engagement since, the force is continually in touch with the enemy."

"There were many acts of conspicuous gallantry displayed during the day. 'Q' remained in action under a cross fire at 1,200 yards for some hours, the officers serving the guns as the casualties reduced the detachments. Several gallant attempts were made to bring in two guns, the teams of which had been killed, but at each attempt the horses were shot."

"The Essex, the Munster, Shropshire and Northumberland mounted infantry and Roberts' Horse covered the retirement of the guns from that position to the crossing of the drift found by the cavalry two miles further south, and withstood the determined attacks of the enemy, who in some cases advanced within 100 yards. 'U' battery of the Royal Horse artillery was suddenly surrounded in the drift, and the officers and men were all made prisoners without a shot being fired. But Major Taylor and a sergeant major succeeded in escaping in the confusion. Five guns were captured at the same time. Further details later."

Lord Roberts' dispatch seems to finally dispose of the earlier report of the recovery of the guns, and the fact that the Boers remain in occupation of the water works is taken as an indication that they intend to make a stand sufficiently long to cover the withdrawal of the guns and wagons to a place of safety, although the absence of definite information regarding the movements of General French's cavalry makes it difficult to estimate their chances of adding this crowning success to the blow already inflicted.

Fears For a Correspondent.
A dispatch from Maseru, Basutoland, dated Monday, April 2, says the Earl of Rosslyn, who is acting as war correspondent for the Daily Mail in South Africa, and who left there April 1 on his way to Thaba N'Chu, has probably fallen into the hands of the Boers.

Messages from Springfontein suggest that the fact that press messages are keenly censored indicates an early advance northwards, although there is a question whether the loss of guns and convoy will not delay the commander-in-chief's movements.

The alarming increase in the mortality among the Boer prisoners at Simontown has induced the authorities to promise to remove to the mainland the prisoners who are not going to St. Helena.

A dispatch from Pretoria announces the arrival there of 28 prisoners, mostly residents of Ladybrand, who were seized when the Boers forced the British to evacuate that place. The German liner Koenig has again reached Lorenzo Marques, this time having on board 257 passengers bound for the Transvaal.

An interesting item appears in a periodical called The Gem giving the opinions of the royal family on President Kruger, culled from an album belonging to the Duchess of Fife. The Prince of Wales wrote: "Mr. Kruger is a good judge of tobacco and a bad judge of the English people."

The queen wrote: "May God guide him and all of us out of our troubles and difficulties."

An official list of the casualties sustained by the British officers near the Bloemfontein water works is as follows: Killed, Northumberland Fusiliers, Major Booth; Roberts Horse, Lieutenant Crowler; army medical service, Lieutenant Irvine. Wounded, artillery, Colonel E. Rochefort and five others; Royal Horse Guards, Lieutenant the Hon. A. V. Meade; Roberts'

Horse, three; mounted infantry, four. Missing, artillery, Captain Wray; Tenth Hussars, Lieutenants the Hon. D. R. H. Anderson-Pelham and C. W. H. Crichton.

British Were Repulsed.
Pretoria, April 3.—There has been heavy fighting between Brandford and Bloemfontein. The Wakkerstroom and Ermelo commandos attacked 7,000 British and drove them back with heavy losses. According to the reports of the wounded who have arrived here, fighting occurred all along the line. The Federal troops held positions on the side and top of the mountain, while the British positions were on the opposite side of the hill. The British charged repeatedly, but were repulsed.

ADMIRAL WALKER.

Tells About the Work of Inter-oceanic Canal Commission.

New York, April 3.—The canal commissioners, Rear Admiral Walker, Samuel Pasco, Colonel Ernest and Emery H. Johnson, were passengers on the Atlas line steamer Allegheny, which arrived from Central America.

Rear Admiral Walker said: "We have completed our portion of the work of investigating the possibilities of both the Panama and Nicaragua routes. We have spent three months in the bush and have collected a great mass of data, which we will put into shape for our report to be handed into the president next December."

Admiral Walker was asked whether the commission favored a fortified canal. He replied that he could not enter into that subject. "Our duty will be to state the facts and to present to congress the result of our survey and work. Both routes have their advantages, and these will be set forth."

The admiral added: "Everywhere we were well received and entertained. The sentiment of the people is for the United States to build the canal."

Queen Snubbed by Sword-Bearer.
Dublin, April 3.—The premature arrival of her majesty and the wretched weather were a disappointment to Dublin, as thousands of people had planned to go out to Kingstown. Nevertheless, as soon as the news spread, large numbers started for the harbor, while the Duke of Connaught, commander of the forces in Ireland, and Earl Cadogan, the lord lieutenant, also hurried there, and late in the afternoon, boarded the royal yacht Victoria and Albert, where they greeted the queen. James Egan, the Dublin city sword-bearer, who for nine years was imprisoned for political offenses, refused to hand the queen the sword, nor would he take part in the proceedings. This declaration at the last hour caused a sensation. Lord Mayor Talion is now looking for another sword-bearer.

More Money Desired.
Washington, April 3.—The secretary of the treasury has sent an urgent request to congress to make \$500,000 immediately available to enable the marine hospital service to fight the plague and other diseases that may appear at any moment. In the annual estimates, submitted last December, \$300,000 was asked for this purpose, but it is already seen that this amount will be insufficient, and that a large fund ought to be ready for the emergency without delay.

Porto Rican Bill Passed.
Washington, April 3.—After several weeks of discussion the Porto Rican bill passed the senate by 40 yeas to 31 nays. Senator Nelson offered a free trade amendment, but placing the internal revenue taxes on goods coming into this country from Porto Rico. The amendment was lost, 29 to 41. The vote was the same as on the Davis amendment, except that Daniel (D., Va.) voted no.

Selecting Netherlands Jury.
New York, April 3.—Olga Netherlands and others, jointly accused in a blanket indictment in maintaining a nuisance and offending public decency in the production of a dramatization of Daudet's "Sapho," were put on trial in the criminal branch of the supreme court, where Justice Fursman presided. Assistant District Attorney McIntyre endeavored to secure an adjournment for two weeks, in order to get a special jury panel. Justice Fursman denied the motion.

Stagg's Promotion.
Chicago, April 3.—At the thirty-second convocation of the University of Chicago A. Alonzo Stagg, master of athletics, was promoted to a full professorship in physical culture.

New Incorporations.
Columbus, O., April 3.—Italian Society of Queen Marguerite for Mutual Succor of Loralin; Fort Recovery Savings bank, Fort Recovery, \$25,000.

MESSAGE OF INQUIRY

Sent by Democratic Governor Beckham to Reesier Executive.

MUTUAL RECOGNITION IS DESIRED.

Officials at Kentucky Penitentiary Refuse to Recognize Requisition Papers Honored by Republican Governor Taylor.

Frankfort, Ky., April 3.—An incident occurred that is of interest in view of the recent report from Indianapolis that Governor Mount would not recognize a requisition from Democratic Governor Beckham of Kentucky, and the presence at the Indiana capital of ex-Secretary of State Charles Finley, for whom a warrant is out charging complicity in the Goebel case. A requisition made by Governor Mount on the governor of Kentucky for the return to Indiana of Rudolph Gossman, a prisoner in the penitentiary here, whose term expires at once, was presented to Governor Beckham after it had been first presented at the Republican headquarters and honored. The prison officials declined to recognize Taylor's order. Upon receiving the papers Governor Beckham sent the following telegram to the Indiana executive: "A requisition from you for the arrest of one Gossman, wanted in Floyd county, Ind., has been presented to me. I will gladly honor it if you will first assure me that any requisition issued by me as governor of Kentucky upon you will also be honored. This understanding is desired because of certain expressions attributed to you in the press lately." Governor Mount sent a noncommittal reply.

Witnesses Examined.
Frankfort, Ky., April 3.—The Franklin county grand jury began work. The physicians who held the autopsy on Governor Goebel's body were the principal witnesses.

CLEVELAND PATROLMAN

Is Bound, Gagged and Robbed by a Gang of Crooks.

Cleveland, April 3.—While shadowing a suspected robber Patrolman Fitzgerald was taken captive by seven men in a house, located in an alley, where Fitzgerald had followed the suspect. He was bound and gagged by the thugs, who took his money, watch, "billy," revolver and a pair of handcuffs, and departed. Fitzgerald succeeded in severing his bonds with his teeth and went to the central police station. The men are supposed to be members of the Lake Shore gang of freight car robbers.

Arguments in Clark Case.
Washington, April 3.—Argument in the case of Senator Clark of Montana was begun by counsel before the senate committee on privileges and elections. Arthur A. Birney, counsel for the memorialists, was the first speaker. He began by laying down the conclusions of law upon which the memorialists rest their case, but said no effort would be made to make much of these because they considered that their case was too strong to rest it upon any mere technical ground. Strong as was the law in their favor the facts were still stronger. Mr. Birney contended that Mr. Clark had become a candidate as early as August, 1898, and had determined to go to the senate regardless of all considerations of virtue and morality. Birney commented at length upon Clark's testimony, contending that the senator had put himself in a most unenviable position.

Otis Gives His Version.
Washington, April 3.—General Otis has cabled the war department, probably with a view to correcting erroneous impressions that exist in this country as to the state of insurrection in the Philippines, a summary of the result of the development of the campaign since the first of the calendar year. His figures go far toward offsetting the belief that exists in some quarters that since the adoption of guerilla methods of warfare the insurgents have inflicted substantial loss upon American arms in comparison with the punishment which they have themselves received. A significant sentence in the report differentiates insurgents and ladrones, showing that Otis has taken cognizance of the fact that a considerable number of hostiles are not soldiers under the rules of war, and may not expect the same treatment.

Berlin, April 3.—The Koelnische Zeitung, a semi-official organ, publishes alarming reports regarding the busy war preparations which Russia is making on land and on sea. The Zeitung announces that the czar will go to Moscow to be present at a military council.

THE RECORD FOR MARCH.

Figures Showing Some of the Good Work Being Accomplished by the Y. M. C. A.—Many New Members.

Below will be found the report of the local Y. M. C. A. for the month of March. It has been a good month in association circles. More members were secured during March than any previous month of the fiscal year, but we hope that their record can be beaten in April. It can if every man gets his man. If you have not joined the "Get One" club do so at once, that you may come in for some of the fun later on.

Thirteen hundred and ninety-six visits to the rooms were made in thirty-one days they were open; forty-five being average per day.

The gymnasium used 135 times. Twenty-four classes were conducted with 107 in attendance.

Three hundred and ten baths were taken.

Twenty-two books were drawn from the library.

One hundred and twenty-nine was the aggregate attendance at the four Sunday afternoon religious meetings.

Four committee meetings were held; twenty-three in attendance.

Nineteen members and renewals were secured.

BROAD TIRES.

If Farmers Would Adopt Them, Cost of Keeping Pikes in Repair

Would be Greatly Lessened—They are Road Makers Instead of Road Destroyers. Some Figures.

[L. Ericson in Shelby Record.]

Since all the tax-payers in the county are required to pay for keeping the roads in order, they should all be in favor of any plan that will keep them in good repair at the least expense. All who have made a study of the road question know that the greatest wear and injury to the roads are made by heavy loads hauled in wagons with narrow tires. They also know that the same load could be hauled with as much, or greater ease on wide tired wagons. It has been proven by experiment that wagons can be so constructed as to haul very heavy loads with actual benefit instead of injury to the roads. Several States and some foreign countries have laws regulating the width of tires by the weight of loads hauled.

I will quote a few extracts from reports of experiments made with wide tires:

At the Ohio State University an ordinary wagon with three-inch tires was loaded with 4,480 lbs. and the draft was measured with a dynamometer. On an ordinary dirt road in good condition the draft was 250 lbs.; on a grass field 468 lbs.; on newly plowed land 771 lbs. As the draft power of an ordinary horse of 1,000 lbs. is 150 lbs., two horses could draw this load with ease on an ordinary dirt road, and a ton and a half on a grass sod, while with a narrow tire half as much, or a single ton, is a full load for a double team. Besides this, the broad tires roll and level a road so that the more it is used the better it becomes, while narrow tires cut it into ruts, if at all soft.

A few years ago a number of tests were made by Prof. Sanborn, of the Missouri Agricultural College, to find the force required to move loaded wagons, having tires of different width. The tests were made with a Baldwin dynamometer. The weight of the loads drawn were 3,665 pounds each. The tires were one and one-half and three inches respectively. The tests were made on blue grass sward, partially moist. The draft of the wide tires averaged for level ground 310 pounds. That of narrow tires was 459 pounds, or 14 per cent. more than the wide tire. Assuming the wagon to weigh 1,000 pounds, then on the broad wheels 3,248 pounds of the load would be drawn as easily as 2,000 pounds on the narrow tires. Again, the broad wheels in the trial did not injure the turf, while the narrow wheels cut through it.

From the limestone quarry at Split Rock, N. Y., to the works of the Reducing Company, is about four and one-half miles. Three or four years ago the work of improving this road was accomplished. Rough quarry refuse, and for part of the distance field stones were used, all hand broken to two and three inch size. This was covered with fine, unsplit quarry chips, and a crown was given to the roadway with an elevation of about six inches in a width of sixteen feet. Wagons were built for hauling stone over this road with wide tires, and axles of different length, as follows: Front tire four inches wide; distance between centers of front wheels, four feet, five inches; hind wheels with tires, six inches wide and five feet, eight inches between them. The constant use of these wagons during the last three years has produced a smooth, compact, and regular surface between the quarry and the works. The wide tires and varying gauges excited much attention at first, and conflicting opinions regarding their utility were expressed. The result is eminently in their favor, and a general sentiment supports the use of these wagons for heavy loads. Loads of stone, varying from 8,000 to 16,000 pounds, were continuously hauled over this road with no perceptible wear.

The cost per ton of hauling stone has been reduced from 80 cents to 60 cents, and a team can easily earn from \$3.50 to \$4 per day hauling stone, making two round trips of nine miles each, or a total of eighteen miles per day. L. ERICSON.

Cold Steel or Death.

"There is but one small chance to save your life and that is through an operation," was the awful prospect set before Mrs. I. B. Hunt, of Lime Ridge, Wis., by her doctor after vainly trying to cure her of a frightful case of stomach trouble and yellow jaundice. He didn't count on the marvelous power of Electric Bitters to cure stomach and liver troubles, but she heard of it, took seven bottles, was wholly cured, avoided surgeon's knife, now weighs more and feels better than ever. It's positively guaranteed to cure stomach, liver and kidney troubles and never disappoints. Price 50c., at J. Jas. Wood & Son's drug store.

OUR PARIS PATTERN HATS.

Have met a flattering reception. Patrons wonder that we can sell them at such modest prices. The secret, by the way, lies in our buying them in such large quantities and from first hands. All declare the styles unique and absolutely proper. No two trimmed alike. Prices from \$1.69 to \$6.50, but worth fully 30 to 40 per cent. more.

A COMPLETE DRESS GOODS STOCK.

We believe we are justified in stating that our Dress Goods stock is now complete in every detail. There is nothing in Woolen and Cotton Fabrics that Fashion decrees in vogue for spring of 1900 but what you'll find it here. Venetians for the tailor made gown at 50c., 59c. and \$1.25, all colors. Plaid Homespuns, forty inches wide, worth fully 75c., our price 59c. Golf Plaids from \$1 to \$2.25 per yd. The new stripes in cloths of all wool, 50c. to \$1 per yd. Sybeline Plaids, 50c. a yd. The Black Dress Goods stock is a department in itself. Crepons from \$1.06 to \$2.75 a yd. Gonsalva Cloth, a gem of the weaver's art, fifty-four inches wide, \$1 a yard. Black Mercerized Brocades that are sold elsewhere at 40c. are sold here 29c. And a host of other fabrics that lack of space prevents mentioning.

\$12.50 TAILOR-MADE SUITS FOR \$8.49.

We ask you but to inspect these suits and judge of their merits for yourselves. They are made of all-wool Venetian Cloths, jacket lined with silk and skirt with best grade percaline. We guarantee a proper fit with each suit. Our special price, \$8.49.

BOARD OF TRADE.

Annual Meeting of the Members To-morrow Evening—Election of Officers and Other Business.

The President of the Board of Trade announces to the membership of the board and the commercial interests of our city the fact that the annual meeting of the board will be held Thursday night, April 5th, at 7:30 o'clock, at the Council Chamber. Election of officers and reports and outlining plans for the coming year must be attended to.

It is very important that not only members of the board attend but every merchant in the city should lend his presence, for in a gathering of citizens where all classes are found great good can come.

All know what a factor to trade life has been the efforts of the Board of Trade. He is blind to his own interests who does not affiliate. Thousands of dollars have been drawn into the stores of Maysville through widespread and judicious advertising. The little cost has been met by few; it is but right to have all share in the expense, considering how much comes back to them.

Be on hand at the Council Chamber Thursday night at 7:30 o'clock.

Millinery.

Mrs. M. Archdeacon will have her spring and summer millinery opening April 5th, 6th and 7th at her new store on West Third St., opposite R. B. Lovel's grocery.

FISCAL COURT.

The Semi-Annual Session Convened Tuesday Morning.

List of Claims Allowed and Other Business Disposed Of the First Day—Turnpike Question.

The spring term of the Mason Fiscal Court convened Tuesday morning, Judge Newell presiding and all the Justices and the County Attorney present.

Elder T. P. Degman and others addressed the court relative to the Cabin creek and Springdale turnpike. On motion of 'Squire Grant the receiver of the road was requested to appear and confer with the court relative to a settlement of the matters involved.

Dr. M. H. Davis addressed the court relative to the smallpox epidemic at Mayslick. He was allowed \$20 for vaccinating a number of people and \$300 for attending to the smallpox patients.

The sum of \$100 was ordered placed in the hands of 'Squire Williams to be used in caring for smallpox cases at Mayslick.

The report of the Turnpike Advisory Board was ordered adopted and recorded, except so much as relates to the election of superintendents, their term to be for only one year instead of two.

'Squire Rice nominated Wm. P. Smoot and Wm. Luttrell for Superintendents of Turnpikes for ensuing term. 'Squire Grant offered a substitute that the control of the free pike system be placed in the hands of the Justices of the Peace. On motion of 'Squire Thompson the election of superintendents was postponed.

The settlements of the Treasurer and Sheriff were referred to a committee composed of 'Squires Williams, Grant and Perrine.

BERNARD.

Miss Pet Trimble left Saturday for a visit with relatives at Loveland, Ohio.

E. I. Cooper, of Reetorville, visited at the home of Mrs. Grant last Sunday.

We are glad to know Mrs. C. A. Tucker is somewhat better at this writing.

Mr. and Mrs. Dan Roe, of Helena, visited relatives here several days this week.

Mrs. Sallie Wilson, of Vanceburg, is the guest of her brother, Geo. Wells, and family.

Mrs. Mary Dimmitt has been visiting her sister, Mrs. Ferdinand Hechinger, of Maysville.

Mrs. Tom Lashbrooke and children and Mrs. John B. Peters have returned from a pleasant visit with friends at Cincinnati.

We regret very much to lose from our neighborhood J. L. Kirkland and family. They have moved to a farm near Reetorville. We wish them success in their new home.

GERMANTOWN.

C. C. Coburn is a delegate to the district conference.

Rev. Heber Wightman is attending district conference at Hillsboro.

Miss Dora Renaker is at home from Millersburg College, on a visit to her mother.

Miss Minnie Noris is at home also from Millersburg, suffering with facial neuralgia.

Miss Frances Grimes, of Ewing, Fleming County, is the guest of her grandmother, Mrs. Wright.

Clay Pepper and niece, Miss Grace, attended the funeral and burial of his sister, Mrs. Pinkard, at Paris, Saturday.

A series of meetings will begin next Monday night at the M. E. Church, Rev. T. B. Stratton, of Maysville, assisting.

Mrs. Arthur Wells departed this life Friday fast. She leaves a husband and one child who deeply mourn her loss.

B. D. Pollitt and wife attended the wedding of his sister, Miss Sndie, to Mr. Arthur Tolle, near Tollesboro, Wednesday evening.

The Woman's Foreign Missionary Society will

not observe Easter program, on account of the protracted meeting at the Methodist Church.

On Friday afternoon, April 6, the written work of the pupils of the Germantown school will be displayed. The patrons and friends are not only cordially invited but they are earnestly urged to come and examine this work carefully and give encouragement to both pupils and teacher. Below will be found the program of commencement exercises to be held in the Christian Church on a night, April 6th:

PROGRAM.

EAST LIMESTONE.

Mr. and Mrs. Henry Rash, of Reetorville, visited relatives here the past week.

There is not a tobacco crop in this neighborhood unsold, a fact seldom, if ever, known in the past.

The Bernard colored school gave an entertainment at its close Friday evening which reflected credit on both teacher and pupils.

School closed at Bernard Monday after a seven months' successful term, conducted by Miss Nelson, of Cincinnati, a worthy and excellent teacher.

Mrs. Teager, of Lewis County, is spending several days at the bedside of her niece, Mrs. Lola Swice, at the home of the latter's mother, Mrs. Miriam Meyers.

Rev. Robert Tolle and mother, Mrs. W. A. Tolle, of Maysville, returned home Thursday evening from the attendance at the Tolle-Pollitt wedding at Tollesboro and Cottageville.

Howard, Frank and Charley Williams and mother, Mrs. R. C. Williams, attended the Tolle-Pollitt nuptial reception Thursday at the home of the groom's parents, Mr. and Mrs. J. W.

Tully, of Cottageville. The event was an elegant affair and the day was happily spent and pleasantly enjoyed by those in attendance, which consisted only of relatives of the contracting parties.

WEDONIA.

E. M. Witt is on the sick list.

The smallpox is all the talk at present.

Mrs. Ruggles visited the Misses Dohyans Sunday.

Miss Bettie D. Cook is visiting her grandmother in Maysville.

Miss Mary Finch and mother, of Helena Station, attended services at Mill Creek Sunday. Also Miss Mira Myall and Mrs. Dr. Dimmit, of Mayslick.

Mrs. Lottie Willett and Mrs. Lido Long, of Clark's Station, and Rev. J. B. Jones spent Sunday the very pleasant guests of Mr. and Mrs. C. A. Goodman.

A Helpless Child.

A weak and puny child is badly handicapped in the battle of life. It is isolated from the healthy enjoyments of its little fellow-beings. It cannot partake either of their play or their sturdy work and progress in the world; its whole life is embittered by incapacity and weakness.

Any woman who expects to become a mother ought to know what Dr. Pierce's Favorite Prescription will do both for her own health and safety during her time of trial and also to insure her in bequeathing a fair measure of health and strength to the prospective little one.

THE BOWLERS.
